

# Academy Bus Service

**The Offer 2020-21** Mounts Bay Academy offer a minibus shuttle service for eligible students who live outside the 3 mile limit to a maximum of 10 miles from the academy and who are not eligible to free transport from the Local Authority.

**Safer Travel (Covid19)** The minibuses and coaches will be restricted on the number of passengers they will be able to carry during the current pandemic. Each passenger will be required to wear a face covering and comply with social distancing. The bus will collect students from their designated pick-up point at an allocated time (to be determined) and returned to the same point after school.

**The Route** Bus routes may change from year to year.

The rurality of West Cornwall makes it impractical to run our buses directly to every village, but we endeavour to meet the majority of requests based on the volume of students and geographical demand. The buses run along main roads and stop at designated clear and safe pick-up points. The buses run on tight time schedules and are not able to divert from their planned routes.

Spaces on the buses are often limited and cannot always be guaranteed. In the event of over subscription, additional requests will be held on a waiting list and a place offered at

the earliest opportunity. Final routes and pickup times will be determined over the school summer holidays.
